Dear Sirs

**TESTIMONIAL**

I am a Director and Shareholder in 4 different companies and I have now had the pleasure of dealing with B2B Cashflow Solutions ,for approximately 8 years on various finance requirements.

**Eastern Chauffeur Ltd**

When I first got involved with this business 8 years ago, there were a number of obstacles getting in the way of arranging any funding on the purchase of new vehicles. However , Simon managed to source some funding and the company hasn't looked back since. Since then he has arranged multiple finance deals for us with very competitive rates.

**A & T Barnes Ltd**

This is a property development company that I have run since 1998, during the recession of 2007/8 Simon was able to assist me with help and advice on various projects that my bank no longer had an appetite for.

**IPM Wealth Management Ltd**

I have used B2B for the funding of Directors cars at this company and the refinance of balloon payments where new start status was the key issue.

In the time that I have dealt with the company, I have found them to be a very professional, discreet and trustworthy business and I would have no hesitation in recommending them to my friends and business colleagues.

If you should require anything further from me then please do not hesitate in contacting me.

Yours sincerely

A A Barnes  
Director
