Dear Nick,

I just wanted to write and thank you for all of your help with our recent funding. Having used asset backed funding on and off for over twenty-five years I have to say that the service I received from you and your team at B2B is second to none and definitely exceeded my expectations.

Not only did you move very efficiently, delivering competitive solutions very quickly, but you did so in a friendly manner that put the minimum of effort onto us.

Thank you again and I look forward to doing a great deal more business in the future.

Yours faithfully

Adi
