To Whom it may concern,

Swift Taxis and Private Hire Ltd have been a customer of B2B Cashflow Solutions Ltd for over 6 years and our dealings have always been directly with Mr Tim Burrell. We have used the Company for financing new and used vehicles and also re-financing older vehicles. We are constantly being approached from other financing companies to service our needs but why would I change, when the service we receive from Tim is second to none. As the director of Swift, I often have to make decisions fast and need to secure finance at a good rate and do the deal swiftly, and Tim never fails in making this happen.

Keep up the good work B2B Cashflow Solutions, and we will be doing busy again in 2015.

Yours Sincerely

Catherine Boyne
Managing Director
